

As you may be aware, the president of Shar Pei Rescue Inc., Amanda Booth, sadly passed away late last year. Over the last 9 months, we have focused on rehoming the remaining dogs in care and working on what the way forward was for SPR. Regretfully, now that all dogs in care have been rehomed, the difficult decision has been made to close Shar Pei Rescue Inc.

We have had some generous people who have continued to make donations - if you have made donations in the last 3 months, please contact us through email at matthew.stevens@sharpeirescue.org by 30th April 2020, and we can either organise a refund or distribute it on to another rescue. Any remaining funds once all is reconciled, will be donated to Stafford Rescue Victoria; this was Amanda's wish.

If you have a reoccurring donation set up through your workplace or bank, we'd ask that you please make arrangements for this to stop (and hopefully another rescue can benefit from your generosity).

Adopted dogs will continue to be supported where we can. If you have adopted a SPR dog and you are not in the SPR Adopted Dogs Facebook group, please email us at matthew.stevens@sharpeirescue.org

Thank you all for your amazing and generous support over the years. The legacy Amanda has left remains in the hundreds of pei that have been rescued, rehabbed, and rehomed over the 12 years Shar Pei Rescue has operated.
